To whom it may concern

Ian Montgomery worked for German Cargo Services (GCS) for many years at London / Heathrow managing the GCS Sales Office.

From May 1985 till March 1992 I have been responsible for all sales activities of GCS in my functions as Manager Marketing and Sales and as Managing Director of the company.

Ian Montgomery was an exceptionally motivated and experienced manager who has been able to motivate his staff and to use his excellent skills to successfully support GCS "backbone" markets in the Middle East and Africa.
